2017 Spirit of Einstein Award for Educators

“Teaching should be such that what is offered is perceived as a valuable gift and not as a hard duty.”

Roper Mountain Science Center and The Roper Mountain Science Center Association are pleased to sponsor the 2017 Spirit of Einstein Award for Educators.

Who?

Educators who embody Einstein’s spirit of creativity and imagination and who promote math and science for all students in K - 12th grade

How?

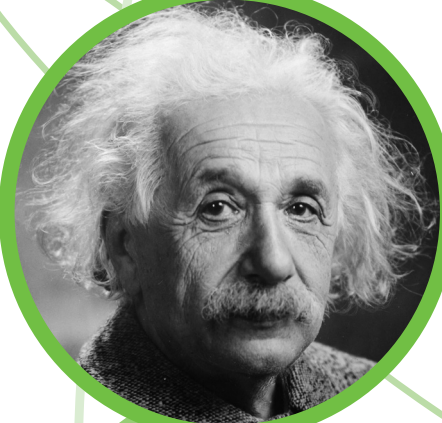

- Nominate a fellow teacher—or yourself — by completing the nomination form
- Attach a brief statement which describes how the nominee embodies Einstein’s spirit in the classroom
- Submit the completed form to Kelly Byers at kbyers@greenville.k12.sc.us

When?

Deadline for submission is noon on March 3, 2017

Spirit of Einstein Awards will be presented at It’s Relative! on Saturday, March 18, 2017

Nomination: 2017 Spirit of Einstein Award for Educators
