

2017 – 2018 Pre-visit Information

Welcome!

Thank you for bringing your students to Roper Mountain Science Center! We want you to have the best experience possible. Please review the following information to prepare for your visit.

- Please review the lesson description here: RoperMountain.org/main.asp?titleid=edguide and click on the 2017-2018 Educator Directory link.
- Review appropriate vocabulary pertaining to the standard indicator found in the state standards support document.
- Explain the purpose of the field trip to your students.
- Describe the schedule of activities for the day.
- Develop several questions to ask the instructor.
- Name tags are recommended for safety purposes.
- Chaperones are limited to one per class.
- Dress for the weather; picnic shelters are not heated.
- Please arrive 15 minutes prior to your lesson starting time.

We look forward to your visit!

Michael Weeks
Director

Winter Weather Plan

If the Upstate is expecting winter weather conditions, this is our winter weather plan for school groups visiting the center.

- If Greenville County Schools are CLOSED – Roper Mountain will be closed and all student visits from schools in and out of Greenville County will be canceled, rescheduled and notified of a new date when one becomes available.
- If Greenville County Schools have a Two-hour DELAY, All Roper Mountain student visits from schools in and out of Greenville County will be canceled, rescheduled and notified of a new date. You do not need to contact the Center. You will be faxed a new date when one becomes available.
- If Greenville County Schools are OPEN however, severe weather is threatening during the school day. Call the Roper Mountain Info-Line at 864-355-8900 to learn the status of programs for the day. If you cancel you must call the center at 864.355.8900 or 355.8935, or education office 355.8967.
